**Shoveling Assistance Available**

If blankets of heavy snow are too much to move, Cranberry is ready to send an angel to help.

Requests for assistance from the Township's Snow Angels are now being accepted. Residents who need assistance can complete a "Request for Need" application on the Township website. Snow Angels will run from December until last snowstorm of winter 2023. Space is limited, as the number of volunteers must equal the number of requests.

Cranberry Snow Angels aims to minimize the difficulties of winter weather by matching community volunteers with senior residents or those with mobility needs who need assistance with shoveling. Snow Angels are partnered with residents to remove snow and help keep sidewalks and driveways safer for everyone.

To request assistance, visit [CranberryTownship.org/SnowAngels](http://CranberryTownship.org/SnowAngels).
