Cranberry Quests to Replace Old Carts

Cranberry Township recycling and yard waste carts that are nearing two decades of use are due for an upgrade.

The Township will host a cart replacement event from 9 a.m. to 1 p.m. Saturday, November 4 at the Public Works Building, 20729 Route 19.

Recycling (blue top) and yard waste (green top) carts that were manufactured between 2004 and 2008 are eligible for the free replacement. The age of the carts can be identified via the first two numbers of the serial number on the front of the cart. Existing carts must be exchanged before receiving a new cart.

For more information, contact Josh Andree, Solid Waste Program Manager, at 724-776-4806 ext. 1517.
