**Household Waste Collection Event Planned**

Noble Environmental will host a household hazardous waste collection event from 9 a.m. to 1 p.m. Saturday, October 26 at the Cranberry Township Public Works Building on Route 19.

Household hazardous waste includes products found in the home that are flammable, infectious, corrosive, poisonous, or potentially hazardous.

Accepted materials include aerosols, antifreeze, batteries, bleach, brake fluid, bug sprays, cleaning products, degreasers, driveway sealers, fertilizer, flammable liquids, fluorescent bulbs, gasoline, kerosene, fuel additives, lawn chemicals, mercury, motor oil, pest poison, paint, oven cleaner, paint stripper, pesticides, pool chemicals, propane tanks, compressed gas cylinders, stains/finishes, starter fluid, transmission fluid, turpentine, and weed killer.

Electronics accepted include computers, printers, phones, window AC units, dehumidifiers, mini-fridges, microwaves, laptops, gaming devices, and any electronic device with a cord, screen, or circuit board.

Smoke detectors, fire extinguishers, ammunition, explosive materials, compressed gas cylinders, tires, pharmaceuticals, syringes, medical waste, and devices containing mercury are among the prohibited items.
